Q.1 Read the passage given below and answer the following questions: 20

Indifference to spiritual matters leads to selfishness and unequal prosperity amidst plenty, misplaced priorities and finally to widespread economic disasters, depression etc. Hence, those who want the unlimited divine power to work for them, ought to be as earnest about meditation as they are about earning money and doing business. He who makes it his business to have communion with God first, will find imperishable inner happiness as well as outer material comforts. We must not be too busy to try to realise the presence of God. If God stops our hearts from beating, we will not have any chance for business success. Since all our success depends upon powers borrowed from God, we should give enough time to God-communion.

I realize now that I am alone.

On myself I must learn to rely.

I have to begin to stand on my own.

If I fail I must continue to try.

I can ask others for their opinions,

But ultimately it's I who'll decide.

I'll be the ruler of my dominion,

Determining which road I'll take with pride.

Though some may disagree with my choices,

Thinking they know a better path to take.

Though people in abuse raise their voices,

It's up to me my destiny to make.

By being true to myself I begin

To learn how to stand alone: how to win.

$3 \times 2 = 6$
