Annexure

Comments of MSRVVP on the PRIVATE MEMBER'S BILL - (Compulsory Teaching of Vedic Education in Educational Institutions Bill, 2025 by Shri C.P. Joshi, M.P.)

The proposed bill is mainly for compulsory inclusion of Vedic education in the educational institutions at primary, secondary and senior secondary levels of school education. Hence, it falls under the jurisdiction of the Department of School Education & Literacy. However, though functioning under the Department of Higher Education, the MSRVVP being the nodal agency for preserving and propagating Vedic education in the country, the following comments are offered.

The Government of India established an apex autonomous organization under the Ministry of Education (Department of Higher Education), namely Rashtriya Veda Vidya Pratishthan under the Societies' Registration Act, 1860 (XXI of 1860) with Registration no. S-17451 of 1987 with MoA and Rules on 20th January, 1987. The resolution for the establishment of the Pratishthan for preservation, conservation, propagation and development of oral tradition of Vedic studies was notified in the Gazette of India vide No. 6-3/85- SKT-IV dated 30-3-1987. In the year 1993 the name of the organization was changed to Maharshi Sandipani Rashtriya Veda Vidya Pratishthan and was shifted to Ujjain, Madhya Pradesh..

Maharshi Sandipani Rashtriya Veda Vidya Pratishthan.is devoted to preserve, conserve and develop the oral tradition of Vedic studies throughout India. All educational commissions, committees, and policy frameworks have noted the importance of Sanskrit and ancient Indian knowledge system of India. This includes Vedas, Upanishads, Bhagavadgita, Ramayana, Mahabharata, etc. They have also recommended the well-organized teaching as well as study of these texts, oral lore and traditions for awakening of national consciousness, moral education, value education and for the refinement of human nature and nurturing of such treasure trove.

The National Education Commission (1964-66) popularly known as Kothari Commission states in para 1.66 - The deepening of national consciousness can be fostered specially by two programmes: (1) the understanding and re-evaluation of our cultural heritage, and (2) the creation of a strong driving faith in the future towards which we aspire. The first would be promoted by well-organized teaching of the languages and literatures, philosophy and religions.

Accordingly, continuing the efforts of Sanskrit Education as in case of KSV, RSkS and LBSKSV, conscious effort was also made to promote Vedic education by the Govt. of India by establishing Rashtriya Vedvidya Pratishthan to give proper uplift for cultural aspect through Vedic education. Through Programme of Action 1992, it was assured for adequate support for Rashtriya Vedvidya Pratishthan for implementing its programmes.

The Maharshi Sandipani Rashtriya Veda Sanskrit Shiksha Board (MSRVSSB) established under MSRVVP is also a part of the initiatives taken by the Govt. of India for propagating Vedic education and is also necessary for the fulfillment of the objectives of MSRVVP as envisioned in the MoA and Rules. The revised Policy Formulations in 1992 of

the NEP 1986 and Programme of Action, 1992 have recognized the role of Rashtriya Vedvidya Pratishthan set up by Govt of India, under the then Ministry of HRD for promoting Vedic Education. The importance of ancient resorvoir of knowledge, oral tradition and employing the traditional Gurus for propagating and spreading Veda education was also noted in the Programme of Action.

The NEP-2020

The NEP-2020 also recognizes the Sanskrit Knowledge System and their importance and flexible approach to the curriculum and choice of subjects.

To quote NEP 2020 -"These rich legacies to world heritage must not only be nurtured and preserved for posterity but also researched, enhanced, and put to new uses through our education system."

4.19 For the enrichment of the children, and for the preservation of these rich languages and their artistic treasures, all students in all schools, public or private, will have the option of learning at least two years of a classical language of India and its associated literature.

Therefore, the Vedic education is highly useful in developing the children and is within the intent of NEP 2020.

Specific comments on the proposed Bill:

The private Member's Bill (The Compulsory Teaching of Vedic Education in Educational Institutions Bill, 2025 by Shri C.P. Joshi, M.P.) aims for the fulfillment of the objectives enshrined in Vedas by showcasing the relevance of Vedic education and also in developing responsible citizens. The private Member's Bill proposes compulsory Veda education for the students of Primary, middle school and secondary School students for their all-round development, primarily for awakening cultural consciousness.

As of now, MSRVVP conducts two courses of Sasvara Veda education that are Veda Bhushan and Veda Vibhushan through Veda Patahshalas and Guru Shishya Parampara Units. Maharshi Sandipani Rashtriya Veda Sanskrit Shiksha Board (MSRVSSB) conducts Veda Bhushan (X level) and Veda Vibhushan (XII level) examinations for such students.

Presently, around 134 Veda Pathashalas and 318 Guru Shishya Parampar (GSP) Units are being provided with financial assistance by MSRVVP for propagation of Vedic education. Around 10500 students are studying in these Pathashalas and GSP Units. Further, non-aided Pathashalas (around 66 in number) and non-aided GSP Units (around 100 in number) with around 3500 students are undergoing Vedic education who are taking part in the examinations conducted by MSRVSS Board. In addition, MSRVVP runs five Rashtriya Adarsh Veda Vidyalayas under its own management where presently around 360 students are undergoing comprehensive Vedic education.

Apart from these formal curricular education, students and general public take part in other promotional Vedic activities such as 'Vedic Classes for All', 'Ghar Baithke Vedon ki Shiksha', 'Ved Gyan Saptah', ' Veda Sandesh Yatra' etc. to be enlightened on Vedic knowledge.

Only the students who are studying in the Veda Pathashalas and Guru Shishya Parampara (GSP) Units, affiliated to the MSRVSS Board, are appearing in these two Vedic courses of MSRVVP. Therefore, **Compulsory Teaching of Vedic Education in all educational institutions,** in primary, secondary and senior secondary level – as proposed in the Private Member's Bill - may be given consideration, to the extent deemed appropriate by the Govt. and at a time deemed appropriate by the Govt. for greater impact of Vedic education in the country.

Since Vedas are considered the foundation of India's civilization, compulsory teaching of Vedic Education in some form will instill pride in the knowledge driven civilization and will contribute in developing India as a Vishwa Guru..

RAVV, Guwahati	Assam	2024-25	Already functional in a temporary accommodation constructed through CPWD on the land allotted by the Govt. of Assam. The Govt. of Assam has allotted 17 acres of land in Dakhingaon near Guwahati for developing RAVV's independent campus. DIB/Ministry's approval for CPWD's estimates for Rs. 99.98 cr for development of the campus has been received and conveyed to CPWD of taking further action for execution of the project.
RAVV, Shringeri	Karnataka	2024-25	Already functional in a rented accommodation in Thirthamutturu, Thirthahalli near Shringeri. For permanent campus, allotment of land by the Govt. of Karnataka is yet to be made. The matter is being pursued regularly with the state Govt.
RAVV, Badrinath	Uttarakhand	2024-25	Presently functioning from Ujjain campus from 2024-25 academic session since no temporary accommodation suitable for running RAVV was available in the locality. Recently an accommodation was located, but the CPWD assessment of fair rent is Rs.1.80 lakhs per month, which is too high. Now another accommodation is being searched in Pauri Garwal area. Despite reminder from the Hon'ble EM the Govt. of Uttarakhand has not allotted any land so far. Efforts are on to locate a suitable accommodation in and around Rishikesh. When finalised, the students of RAVV, Uttarakhand will be shifted there. Expected to be completed in the current academic session 2025-26.

In the light of the above, it may kindly be treated that five new RAVVs have already been established. However, keeping in view that separate accommodation for RAVV, Badrinath is yet to be finalized, (which is expected to be identified in next two months), Ministry may kindly take a decision on the matter as to whether further extension needs to be sought for fulfilling the assurance.

Madam,

Kindly refer to Ministry's letter No.8-2/2023-Skt.I dated 26th May on the subject mentioned above.

Pratishthan's proposal for starting five new RAVVs in five regions of the country (Uttarakhand, Dwarka, Shringeri, Puri and Guwahati) was approved by the Ministry in April, 2022. Thereafter, Hon'ble EM and Chairman of MSRVVP requested the Hon'ble Chief Ministers of the states concerned to allocate around 25 acres of Govt. land free of cost for developing independent campuses of RAVVs and also provide temporary accommodation for starting the RAVVs immediately till independent campuses are developed.

Since then sustained efforts are being made with the state governments for allotment of land. The State Govt. of Gujarat has allotted around 26 acres of land in Dwarka and has also provided temporary accommodation where the RAVV, Dwarka is already functional.

RAVV, Puri has also been functioning from a temporary accommodation provided by the Central Sanskrit University in its Puri campus. Hon'ble EM inaugurated the RAVV, Puri on 4th October, 2022. Govt. of Odisha has also allotted 6.7 acres of land for developing campus for RAVV, Puri.

For RAVV, Guwahati, the Govt. of Assam has allotted 17 acres of land at Dakhingaon, Guwahati, wherein temporary sheds have been constructed by CPWD. Electricity connection and Municipal water connection are being arranged. RAVV, Guwahati has already been made functional by temporarily arranging the classes for the students admitted for RAVV, Guwahati in Ujjain campus. When the temporary accommodation is ready for habitation, the students will be shifted to Guwahati. It is expected to be completed by July/August, 2025. For construction of permanent campus, the proposal is under the consideration of the DIB, Ministry of Education.

The Govt. of Karnataka has not yet allotted land for RAVV, Shringeri despite reminder letter from the Hon'ble EM & Chairman of Pratishthan. RAVV, Shringeri has already been made functional by temporarily arranging the classes for the students admitted for RAVV, Shringeri in
