Q.6. Read the following passage carefully and answer the questions given below 5 × 2 = 10

Games and sports are an important part of education. They help in the development of the physique and mind of the student. A sound body possesses a sound mind. If we are weak and sick we cannot have a fertile brain. Games and sports keep us healthy. They keep us active and make us smart. More bookish knowledge would not lead to be blended in a suitable proportion so that the student can have the best of them. They should not only develop the mind but also the body. Both are essential for a whole some personality.

Games and sports do not merely keep us healthy and physically fit, they also develop in young people the duty of loyalty. The first and foremost thing that game teaches us is to take victory and defeat alike.

1. Give the suitable title to it.

2. On the basis of your reading of the above passage make notes on it using abbreviations if needed.
